ABOUT THE LIBRARY IN A BOX

LIBRARY IN A BOX is a nationwide project of the Grand Lodge of the Philippines under Grand Master MW Tomas G. Rentoy III for fifty six (56) Masonic Districts comprising the Philippine Jurisdiction.

Grand Lodge of the Philippines, F&AM being the principal sponsor of Exempli Gratia Foundation (EGF) for the Library in a Box structures which will house the books coming from Rotary International and IBM Kidsmart computers and furnitures.

The Exempli Gratia Foundation (EGF) developed the proof of concept of the "Library in a Box" project in December 2013 and delivered it to Cabangan Elementary School in Camalig, Albay Province, in June 2014. A "Library in a Box" is a customized and fully furnished disaster-resilient library designed to withstand typhoons, earthquakes, flooding, and other natural calamities.

ENGAGING THE RIGHT PARTNERS AND STAKEHOLDERS

Throughout history, education and support for public schools have always been in the DNA of Master Masons all over the world. In the United States, for instance, Grand Master Benjamin Franklin was a key figure behind the adoption of a public school system in Pennsylvania. A group of Masons established the University of North Carolina—the first state-funded college in America. Grand Master DeWitt Clinton, Governor of New York from 1817 to 1822, is recognized as the father of public schools in New York. US Grand Lodges also founded 88 public colleges in 11 states that support deserving students to graduate on scholarships.

In the Philippines, the aspiration of Filipino Masons to make a profound difference in the transformation of our public schools is evident. That is why, MW Tomas G. Rentoy III enjoined every Filipino Mason to take active part in this important initiative.

MD NCRG Lodges Launch Library in a Box Project in Muntinlupa City

Signing of MOA on November 4, 2015 between Victoria Homes Elem. School Principal Mrs. Gina U. Urquia and VW Bernardo F. Bondoc, DDGM NCR-G; VW Silverio Garing, Muntinlupa City Lodge No. 414 as Lead Lodge.
Victoria Homes Elementary School is a public school located in Victoria Homes at the southwest boundary of Muntinlupa City and San Pedro, Laguna. On the west side is Bacoor, Cavite and Muntinlupa Bilibid Prison Penitentiary.

The school has a population of 1,700 students from Grade 1 to Grade 6 schoolers and run by a group of public school teachers headed by Mrs Gina U. Urquia, Mrs Madeline A. Diaz, Chief—CID and Dr. Mauro C. De Gulan, School District Superintendent.

In line with the program of MW Tomas G. Rentoy III, Grand Master of Masons of the Grand Lodge of the Free and Accepted Masons of the Philippines to donate one (1) Library in every District comprising the total 56 Masonic Districts of the Philippine Jurisdiction from Appari in the north to Jolo, Sulu in the south.

Victoria Homes Elementary School was chosen as the recipient after many evaluations of different locations in Paranaque, Las Pinas, Makati, Taguig, and as far as San Jose in Batangas. The site is ideal for the implementation because of the number of students that will be benefited plus their proposed expansion for the secondary education.

Upon consultation with the 12 Lodges during the district meeting, it was decided that a permanent concrete structure shall be made instead of the 40 footer container as per the program. This will entail high construction cost because the area is big with lanai garden.

However, with the spirit of charity and hope for the betterment of the youth education, masons of Masonic District NCRG agreed to implement the proposal of permanent structure.
CONSTRUCTION PHASE

Construction of the Library structure was started on November 9, 2015

Construction Progress as of November 24, 2015
Construction Progress as of January 8, 2016
Inside Floor Area: 7.85m x 7.0m = 54.95 say 55 sq.m.

Outside Area: Lanai Garden: 54 sq.m.

Total Area: 109 sq.m,
Welcome
